

Chapel Hill Kindergarten

Tou, rourou, toku rourou, ka ora te iwi

With your contribution and my contribution we will thrive.

Nau-mai - Welcome

We welcome our new friends Miley, Maddison and Charlie who are all younger siblings and have been waiting patiently to join their older siblings.

Haere Rā - Farewell

It is nearly time for us to farewell our beautiful teacher Elmien. Please join us today for her farewell mat time at 2.20pm

We are just in the final stages of employing a new teacher, and we will keep you informed when we know more.

Our interests

At the moment the children are really enjoying the sand and water play with dams and water purification (please keep sending changes of clothes), scarves, lots of bugs and creepy crawlies, science with vortexes, velocity, trajectory, folding paper, space, clay and story telling. No two days are ever the same at kindy and we love following their interests as the learning is so much richer.

The weather is getting colder

Please layer up the clothes now, with jumpers/ sweatshirts that can easily be removed on warmer afternoons. Please refrain from thermals as we can't see them easily and children can over heat.

A note from me (Clare)

I will be heading overseas in June/ July. Nerolle will be stepping up and running the kindergarten in my absence. I feel confident that you will all be in great hands while I am away and please give them your support.

Accidents

Sometimes you might get a phone call during the day, because your child has bumped their head. We are required by Law to call you if your child bumps their head even slightly so we try and start the conversation with this is a courtesy call, as we don't want you to worry when your child is running around the kindy and laughing with the friends all ready and it might cause you to worry and take your focus off your task for the rest of the day. We will however, always tell you if we feel there is cause for concern and saw we will call you again if we notice any changes or concerns. Thank you for filling out the accident form each time.

Spaces

We have a few spaces available at the moment, so please let us know if you would like to extend your hours or days and let friends and family know about our Christian Kindergarten and the 20 hours free.

From all the team Clare, Nerolle, Christine, Kimberley, Kaye, Sarah and Elmien
